INDIANA ONLINE—SUMMER SCHOOL 2018

www.indianaonline.org

Westfield High School partners with Indiana Online (IO) for Summer School courses. They offer a wide variety of courses, and classes can be completed wherever you are, as long as you have internet access. This is a great way to:

- Get ahead in your credits and make room in your schedule for other classes you'd like to take.
- Earn a higher grade in a class you have already taken. This is particularly important for students working towards the Academic Honors Diploma, who may have earned a D or F in a required class.
- Recover credits in classes you may have failed or not completed.

Registration for Summer School through Indiana Online
April 16—June 1, 2018
www.indianaonline.org

- **Classes run from June 4—July 19, 2018**
- **All course work must be completed by July 15, with final exams taken July 16-19, 2018 at Westfield High School.**
- **Summer classes are offered at no cost to the student.**
  - **(**During the school year, IO costs $295 per credit.) Students can take a maximum of two courses/credits during the summer.
- **You must read IO's Summer School Guidelines thoroughly prior to enrolling.**

When registering for classes, students must:

- Enter/update their ***current*** grade level. **Exception:** current 8th grade students will register as Grade 9.
- Enter their Westfield School ID number correctly. If this is not done, the grade and credit will not be uploaded into PowerSchool.
- Select the name of their WHS counselor. Upon registration, the counselor will then be able to electronically approve the student's registration.

If for any reason you do not complete or pass a class this summer, it is your responsibility to make sure that it gets added into your schedule for the 2018-2019 academic year. You can do so by contacting your counselor by email.

- If the summer course you are taking is already in your schedule for next school year, counselors will remove it once confirmation of your final grade and credit are received.
- If you notice a class that you have taken in IO is still in your schedule, let your counselor know immediately. If you have additional questions, please talk to your counselor directly.
