Elective/World Lang	
Elective/PLTW	
ELECTIVE	

Fill in the courses you have taken, are scheduled to take this year, and/or plan to take in the future in your Four Year Plan. Diploma requirements are listed in the Course Book. All four year colleges strongly recommend two years of world language for admission. IU, Purdue & Butler require two years of world language for admission. IU requires Pre Calculus for admission. Purdue requires four full years of math for admission. **Research the colleges you are interested in attending and become familiar with their admission requirements. Some colleges have different requirements for different majors.**
