

9th Grade Elective Courses for 2019-2020

These are the elective classes available to freshmen. Some of the electives will fulfill specific requirements for the different diploma options. The diplomas are outlined in the Westfield High School 2019-2020 Course Catalog.

- Please note that some electives have prerequisites or recommendations, denoted with *. Please see Course Catalog for the specific prerequisite courses.
- All electives are one trimester in length & one credit unless otherwise noted. A two trimester class counts as 2/9 electives.
- If you need your PowerSchool username & password in order to request your classes, please contact Westfield MS.

All course requests must be entered into PowerSchool by January 24, 2019.
